Dear Sir:

This is in response to Notice to comply with requirements for patent applications containing nucleotide sequence and/or amino acid sequence disclosures, dated October 25, 2001, for which a response was set to expire December 25, 2001. The Applicant respectfully requests an

extension of time for four months. A fee transmittal form (in duplicate) is included with this submission. Accordingly, this response is timely filed.

Please enter the following sequence listing, amendments and remarks.

In the Sequence Listing:

Please replace the paper copy of the previously submitted sequence listing with the paper copy of the substitute sequence listing submitted herewith. A computer readable form copy of the substitute sequence listing accompanies this response.
